8. NO STIPULATION AS TO CRIMINAL HISTORY CATEGORY

L.C.L

The parties do not stipulate as to any Criminal History Category for Defendant.

9. SENTENCE RECOMMENDATION

As to Count One of the Indictment, and after due consideration of the relevant factors enumerated in Title 18, United States Code, Section 3553(a), the parties jointly recommend a sentence of fifty seven (57) months of imprisonment.

As to Count Six of the indictment the parties recommend a sentence of sixty (60) months of imprisonment, consecutive to the sentence imposed in Count One, regardless of criminal history category.

The parties agree that Defendant's conviction for case 16-266(DRD) should be considered relevant conduct of the instant offense.

10. WAIVER OF APPEAL

The Defendant knowingly and voluntarily agrees that, if the imprisonment sentence imposed by the Court is one hundred and thirty-one (131) months or less, the defendant waives the right to appeal any aspect of this case's judgment and sentence, including but not limited to the term of imprisonment or probation, restitution, fines, forfeiture, and the term and conditions of supervised release.

11. NO FURTHER ADJUSTMENTS OR DEPARTURES

The United States and Defendant agree that no further adjustments or departures to Defendant's total adjusted base offense level and no variant sentence under Title 18, United States Code, Section 3553 shall be sought by Defendant. The parties agree that any request by Defendant for an adjustment or departure will be considered a material breach of this Plea and Forfeiture Agreement, and the United States will be free to ask for any sentence, either guideline or statutory.

12. SATISFACTION WITH COUNSEL

Defendant represents to the Court that he is satisfied with counsel Laura Maldonado-Rodriguez, Esq. that counsel has rendered effective legal assistance.

13. RIGHTS SURRENDERED BY DEFENDANT THROUGH GUILTY PLEA

Defendant understands that by entering into this Plea and Forfeiture Agreement he surrenders certain rights as provided in this agreement. Defendant understands that the rights of criminal Defendants include the following:

- a. If Defendant had persisted in a plea of not guilty to the charges, Defendant would have had the right to a speedy jury trial with the assistance of counsel. The trial may

be conducted by a judge sitting without a jury if Defendant, the United States and the judge agree.

- b. If a jury trial is conducted, the jury would be composed of twelve lay persons selected at random. Defendant and Defendant's attorneys would assist in selecting the jurors by removing prospective jurors for cause where actual bias or other disqualification is shown, or by removing prospective jurors without cause by exercising peremptory challenges. The jury would have to agree, unanimously, before it could return a verdict of either guilty or not guilty. The jury would be instructed that Defendant is presumed innocent, that it could not convict Defendant unless, after hearing all the evidence, it was persuaded of Defendant's guilt beyond a reasonable doubt, and that it was to consider each charge separately.
- c. If a trial is held by the judge without a jury, the judge would find the facts and, after hearing all the evidence and considering each count separately, determine whether or not the evidence established Defendant's guilt beyond a reasonable doubt.
- d. At a trial, the United States would be required to present its witnesses and other evidence against Defendant. Defendant would be able to confront those witnesses and Defendant's attorney would be able to cross-examine them. In turn, Defendant could present witnesses and other evidence on Defendant's own behalf. If the witnesses for Defendant would not appear voluntarily, Defendant could require their attendance through the subpoena power of the Court.
- e. At a trial, Defendant could rely on the privilege against self-incrimination to decline to testify, and no inference of guilt could be drawn from Defendant's refusal to testify. If Defendant desired to do so, Defendant could testify on Defendant's own behalf.

14. STIPULATION OF FACTS

The accompanying Stipulation of Facts signed by Defendant is hereby incorporated into this Plea and Forfeiture Agreement. Defendant adopts the Stipulation of Facts and agrees that the facts therein are accurate in every respect and, had the matter proceeded to trial, that the United States would have proven those facts beyond a reasonable doubt.

CPL

15. FORFEITURE AGREEMENT

Pursuant to this Plea Agreement, the defendant agrees to forfeit to the United States any drug proceeds or substitute assets for that amount, which constitutes or is derived from proceeds generated or traceable to the drug trafficking offense in violation of Title 21, United States Code, Sections 841, 846 and 860. Further, defendant shall forfeit to the United States any property constituting, or derived from, proceeds obtained, directly or indirectly, as a result of said violations and any property used, or intended to be used, in any manner or part, to commit, or to facilitate the commission of the said violations up to the amount stated above. The defendant agrees to identify all assets over which the defendant exercises or exercised control, directly or indirectly, within the past three years, or in which the defendant has or had during that time any financial interest. The defendant agrees to take all steps as requested by the United States to obtain from any other parties by any lawful means any records of assets owned at any time by the defendant. Defendant agrees to forfeit to the United States all of the defendant's interests in any asset of a value of more than \$1,000 that, within the last three years, the defendant owned, or in which the defendant maintained an interest, the ownership of which the defendant fails to disclose to the United States in accordance with this agreement.

LCL *CPA*

The defendant further agrees to waive all interest in any such asset in any administrative or judicial forfeiture proceeding, whether criminal or civil, state or federal. The defendant agrees to consent to the entry of orders of forfeiture for such property and waives the requirements of Federal Rules of Criminal Procedure 32.2 and 43(a) regarding notice of the forfeiture in the charging

instrument, announcement of the forfeiture at sentencing, and incorporation of the forfeiture in the judgment. Defendant acknowledges that he understands that the forfeiture of assets is part of the sentence that may be imposed in this case and waives any failure by the court to advise him of this, pursuant to Rule 11(b)(1)(J), at the time his guilty plea is accepted.

The defendant further agrees to waive all statutory challenges in any manner (including direct appeal, habeas corpus, or any other means) to any forfeiture carried out in accordance with this Plea Agreement on any grounds, including that the forfeiture constitutes an excessive fine or punishment. The defendant agrees to take all steps as requested by the United States to pass clear title to forfeitable assets to the United States, and to testify truthfully in any judicial forfeiture proceeding. Defendant acknowledges that all property covered by this agreement is subject to forfeiture as proceeds of illegal conduct, giving rise to forfeiture and/or substitute assets for property otherwise subject to forfeiture.

L.C.L. Defendant by agreeing to the forfeiture stated above, acknowledges that such forfeiture is not grossly disproportional to the gravity of the offense conduct to which defendant is pleading guilty. *John*

Defendant agrees that the forfeiture provisions of this plea agreement are intended to, and will, survive him, notwithstanding the abatement of any underlying criminal conviction after the execution of this agreement. The forfeit ability of any particular property pursuant to this agreement shall be determined as if Defendant had survived, and that determination shall be binding upon Defendant's heirs, successors and assigns until the agreed forfeiture, including any agreed money judgment amount, is collected in full.

16. LIMITATIONS OF PLEA AND FORFEITURE AGREEMENT

This Plea and Forfeiture Agreement binds only the United States Attorney's Office for the District of Puerto Rico and Defendant. It does not bind any other federal district, state, or local authorities.

17. ENTIRETY OF PLEA AND FORFEITURE AGREEMENT

This written agreement constitutes the complete Plea and Forfeiture Agreement between the United States, Defendant, and Defendant's counsel. The United States has made no promises or representations except as set forth in writing in this Plea and Forfeiture Agreement and denies the existence of any other term and conditions not stated herein.

18. AMENDMENTS TO PLEA AND FORFEITURE AGREEMENT

No other promises, terms or conditions will be entered unless in writing and signed by all parties.

LCL

19. VOLUNTARINESS OF GUILTY PLEA

Defendant acknowledges that no threats have been made against him and that he is pleading guilty freely and voluntarily because he is guilty.

20. DISMISSAL OF PENDING COUNTS IN THE INDICTMENT

After sentencing, the United States of America will move to dismiss the pending counts of Indictment, if the defendant is sentenced pursuant to the terms, conditions and recommendations of the Plea Agreement.

21. BREACH AND WAIVER

The defendant understands and agrees that if the defendant breaches the plea agreement, the defendant may be prosecuted and sentenced for all of the offenses the defendant is charged with in the Indictment. The defendant agrees that if the defendant breaches this plea agreement, the Government reserves the right to take whatever steps are necessary to nullify the plea agreement, including the filing of a motion to withdraw from the plea agreement and/or to set aside the conviction and sentence. The defendant also agrees that if he is in breach of this plea agreement, the defendant is deemed to have waived any objection to the reinstatement of any charges under the indictment, information, or complaint which may have previously been dismissed or which may have not been previously prosecuted.

STIPULATION OF FACTS

In conjunction with the submission of the accompanying Plea Agreement in this case, the United States submits the following summary setting forth the version of the facts leading to defendant's acceptance of criminal responsibility for violating Title 21, United States Code, Sections 841(a)(1), (b)(1)(C), 846, 860 and Title 18, United States Code, Section 924(c).

That beginning no later than the year 2013 and continuing up to and until the return of the indictment, in the Municipality of Caguas, Cidra, Aguas Buenas and other areas nearby, in the District of Puerto Rico, and elsewhere within the jurisdiction of this Court, defendant [6] **Luis Catano-Landan**, and other persons, did knowingly and intentionally, combine, conspire, and agree with each other and with diverse other persons known and unknown to the Grand Jury, to commit an offense against the United States, that is, to possess with intent to distribute controlled substances, to wit: of two-hundred and eighty (280) grams or more of a mixture or substance containing a detectable amount of cocaine base (crack), a Schedule II Narcotic Drug Controlled Substance; one (1) kilogram or more of a mixture or substance containing a detectable amount of heroin, a Schedule I, Narcotic Drug Controlled Substance; (5) kilograms or more of a mixture or substance containing a detectable amount of cocaine, a Schedule II, Narcotic Drug Controlled Substance; one hundred (100) kilograms or more of a mixture or substance containing a detectable amount of marijuana, a Schedule I, Controlled Substance, a mixture or substance containing detectable amounts of Oxycodone (commonly known as Percocet), a Schedule II Controlled Substance, and a mixture or substance containing detectable amounts of Aprazolam (commonly known as Xanax); all within one thousand (1,000) feet of the real property comprising the Turabo

LCL *OK*

Heights Public Housing Project, Brisas del Turabo Public Housing Project, Juan Jimenez Garcia Public Housing Project, Praxedes Santiago Public Housing Project, Jardines de Cidra Public Housing Project, and Vistas de Jagueyes Public Housing Project, housing facilities owned by a public housing authority, and other areas nearby and within the Municipality of Caguas, Cidra and Aguas Buenas Puerto Rico. All in violation of Title 21, United States Code, Sections 841(a)(1), 846 and 860.

The object of the conspiracy was the large-scale distribution of controlled substances at the areas controlled by the drug trafficking organization, all for significant financial gain and profit. Defendant [6] **Luis Catano-Landan** acted as a marihuana drug point owner for the drug trafficking organization. While multiple kilograms of heroin, cocaine, cocaine base and marijuana were distributed during the conspiracy, for the sole purpose of this plea agreement, the defendant acknowledges that during the span of the conspiracy he possessed with intent to distribute at least 400 grams but less than 500 grams of cocaine.

L.C.L. Furthermore, beginning on a date unknown, but no later than in or about the year 2013, and continuing up to and until the return of the instant Indictment, in the Municipality of Caguas, Cidra, Aguas Buenas, and areas nearby in District of Puerto Rico and within the jurisdiction of this Court, defendant [6] **Luis Catano-Landan**, and other persons, aiding and abetting each other, did knowingly and unlawfully possess firearms, as that term is defined in Title 18, United States Code, § 921(a)(3), in furtherance of a drug trafficking crime for which the person may be prosecuted in a court of the United States as charged in counts One through Five of the instant indictment. All in violation of Title 18, United States Code, § 924(c)(1)(A).

At trial, the United States would have proven beyond a reasonable doubt that defendant [6] **Luis Catano-Landan**, is guilty as charged in COUNT ONE and SIX of the Indictment by presenting physical and documentary evidence, photographs, audio and video recordings, testimony of a forensic chemist as an expert witness, cooperating witnesses, as well as the testimony of law enforcement agents among others. Discovery was timely made available to Defendant for review.
